Twenty-eight stories (17 in volume 1), ranging from very brief to novel-length. Most contain sexual content, much of it graphic, some of it off-putting, but none of it gratuitous. Sex - the ceaseless urge, its non-rational expression - sends the characters in these stories crashing into one another. The imaginary circumstances are both varied and extreme, but the fictional characters lust, act, react and grow in ways that feel familiar to readers making their ways through the real world.
